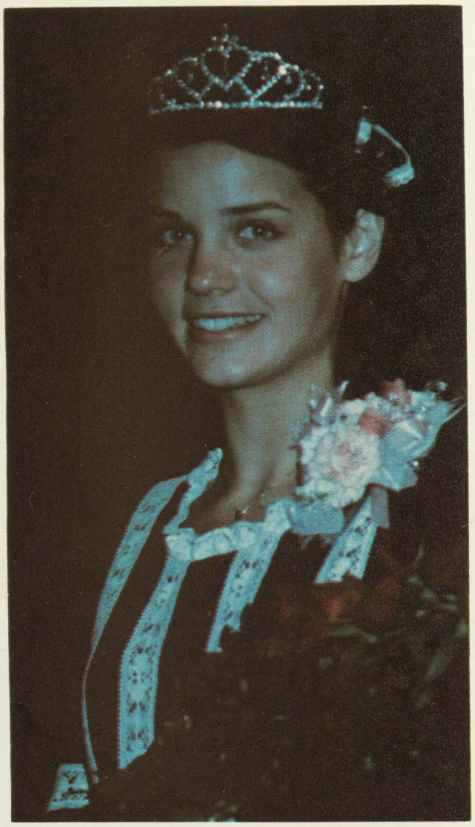
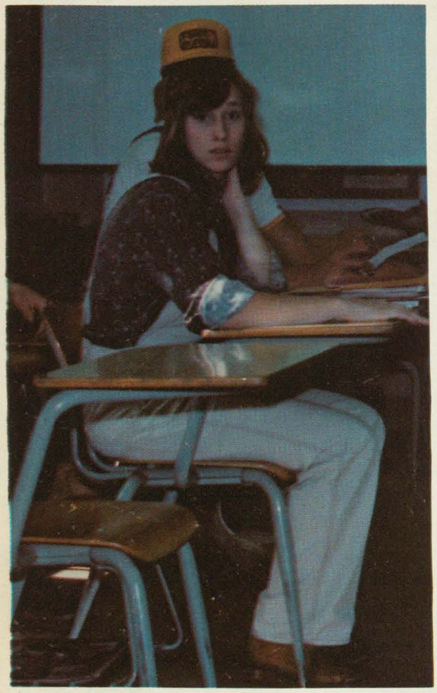
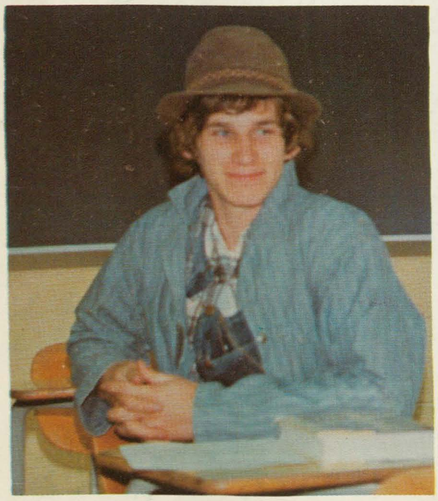
Nancy Rekucki

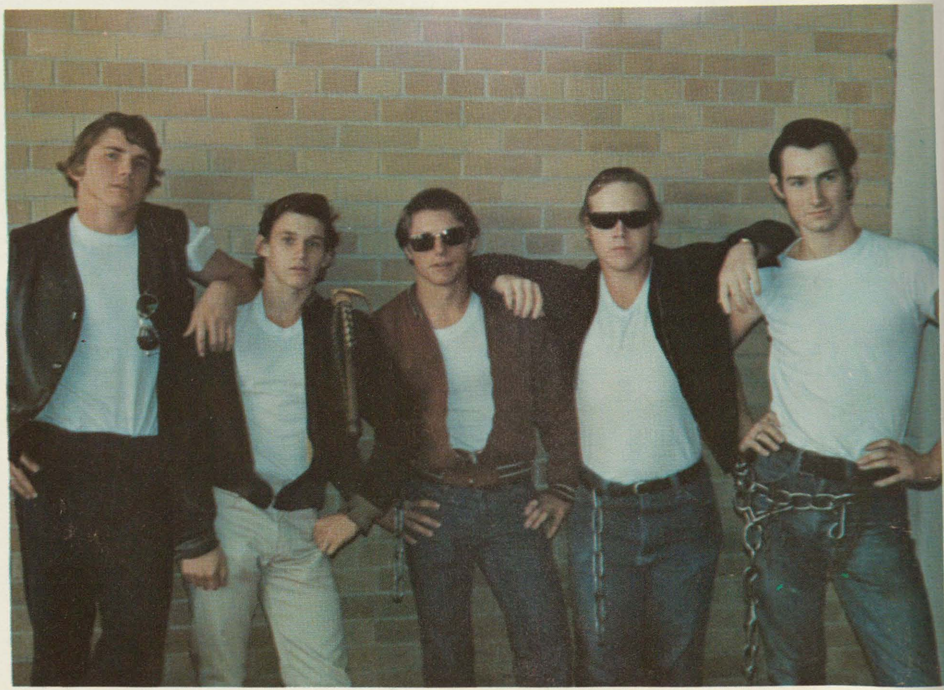


Above: Nancy Rekucki, seventy-six Homecoming Queen, gives us a bright smile after being crowned.



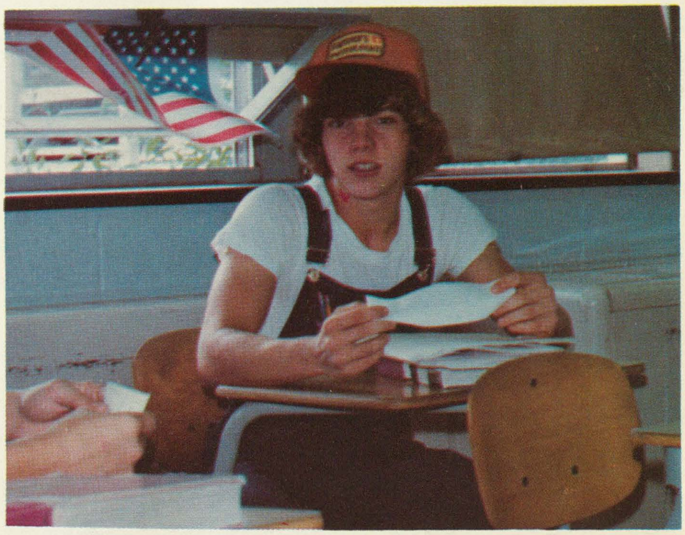
Lois Macek seems to be sharing a hat with Damon Howell on Farmer's Day during Homecoming week.





Above: "Squiggy's Gang", consisting of Ed Sadilek, Tim McCormick, Rick Haney, Randy Ordway, and Rich Young pose nonchalantly on Fifties Day. This is just an example of the styles observed on this special day.

Happenings To Be Future Reflections



Left: Chris Nelson and Flint Horton seem to be taking over a construction site as they attempt to operate a crane. Hey, where are your hard hats?
Above: Jerry Amman seems to have been caught in the act by our photographers as he folds a paper airplane. I wonder if Mrs. Johnston knows what goes on in her Government class.

Above: Colleen Muirhead and Barb Hurst seem to be wondering how much farther they have to hike to get out of this marshy bog.

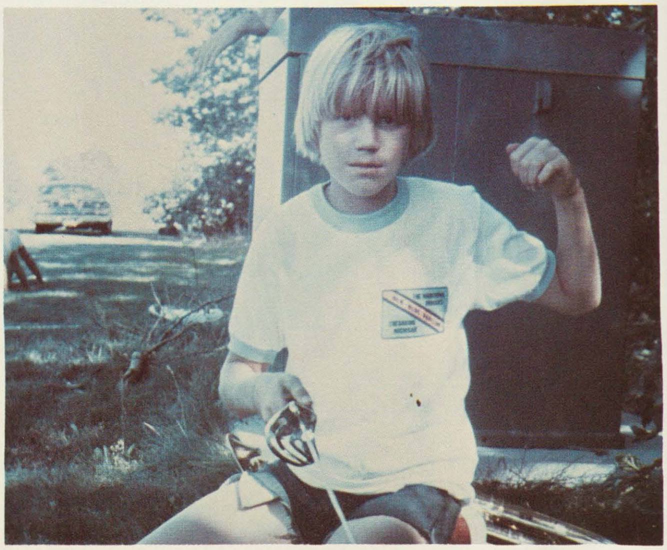
Conclusion 194

Above: Joan Pollick appears to be leading a small band of ambushers as these three underclassmen peer around a hallway corner.
Below: Bob Chant and Sue Greenfelder look up from a grueling pie eating contest on field day.

Far Above: Tammi Bonjour plays the role of a puppet as she looks through the curtains of Mrs. Laitila's miniature stage in French class.
Above: Mark Lorencz concentrates with great effort as he attempts to transfer what he reads to the typewriter keys in his Typing I class.
Below: Juniors Dave DeVille and Paul Tkaczyk work with enthusiasm in the background of their Art class. Could these be the Picassos of tomorrow?



Above: Mike Sadilek shouts "On guard!", as he wields a shiny sabre during a Marching Indians' rehearsal.

Underclassmen: Dreams and Notions . . .

Above: Maureen Mahoney seems to be praying for a win as she cheers during the seventy-six football season.
Left: Rian Bass is either trying to hide from our photographer's camera or stifling a yawn as he has lunch on Fifities Day.

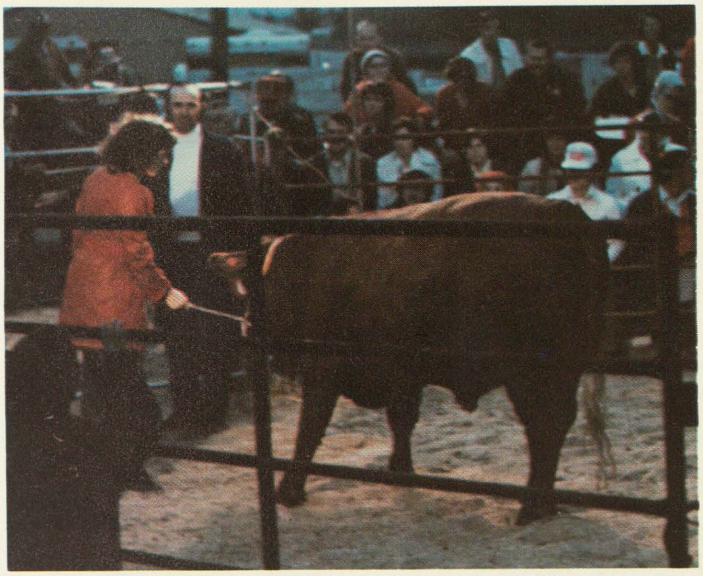
Above: Diane Schnick appears to be having a good time during C lunch. You're supposed to keep the bubble gum in your month, Diane!

Above: Junior percussionists 'bang the drum slowly' as the Marching Indians rehearse their field show for the seventy-six fall competition season.

Groups Get

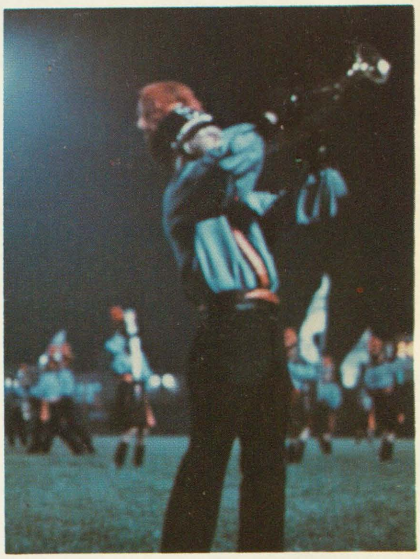
Far Above: Jean Moore stands proudly over an F.F.A. display which was shown during the seventy-six school fair.
Above: Ellen Palmer gazes in amazement as her rifle hangs suspended above her. Remember Ellen, "What goes up, must come down!"
Far Above Right: The Marching Indian rifle line gives the audience some wide smiles and high kicks during an exciting field show.
Above Right: Mark Ivey looks on as Laura Miller tests her "electric" personality in a Science Club exhibit at the seventy-six school fair.
Right: Paul Horny watches with a laugh as two C.H.S. students try to reach a coin by blowing away the flour which covers it. There's got to be a better way to make a living!

Together; Reflections Emerge



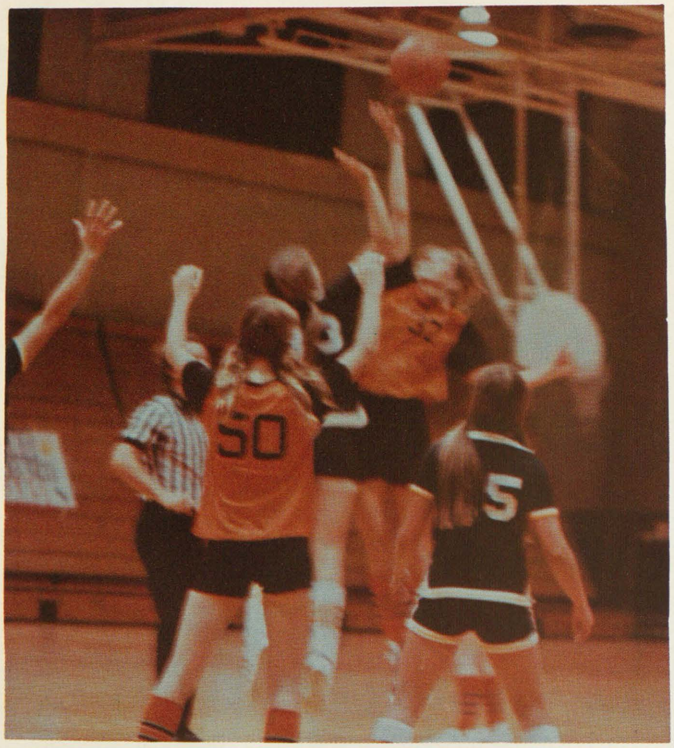
Above: Lisa Reiber displays great pride as she shows her entry in the Saginaw Fair steer judging contest. This type of project is a very important and time consuming one to many C.H.S. Agriculture students.

Above: Frank Yurgens takes time out from his work on the Spanish club float. Frank was honored with the opportunity to travel to Mexico for the summer of seventy-six on a foreign exchange program. His trip was partially sponsored by several C.H. S. organizations.

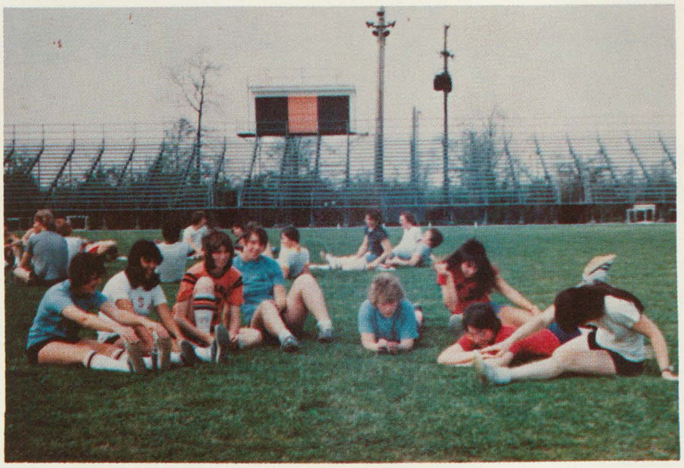


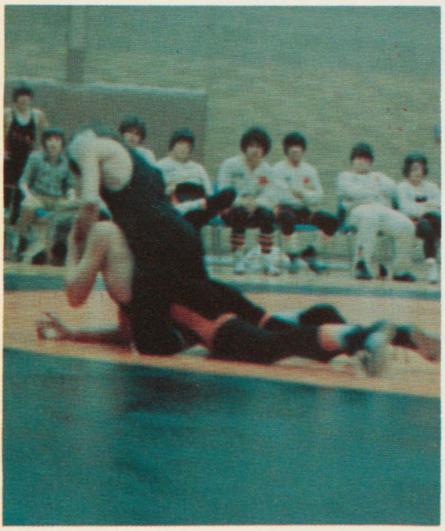
Left: Lorena Boyd, Kaylene Kieven, and John Yurgens work hard to construct the Spanish club's entry in the Homecoming float contest. Above: Jon Sutton solos to "Celebrate", the closing number in a very exciting field show which gave the Marching Indians their most successful competitive season to date.

Athletes Mix

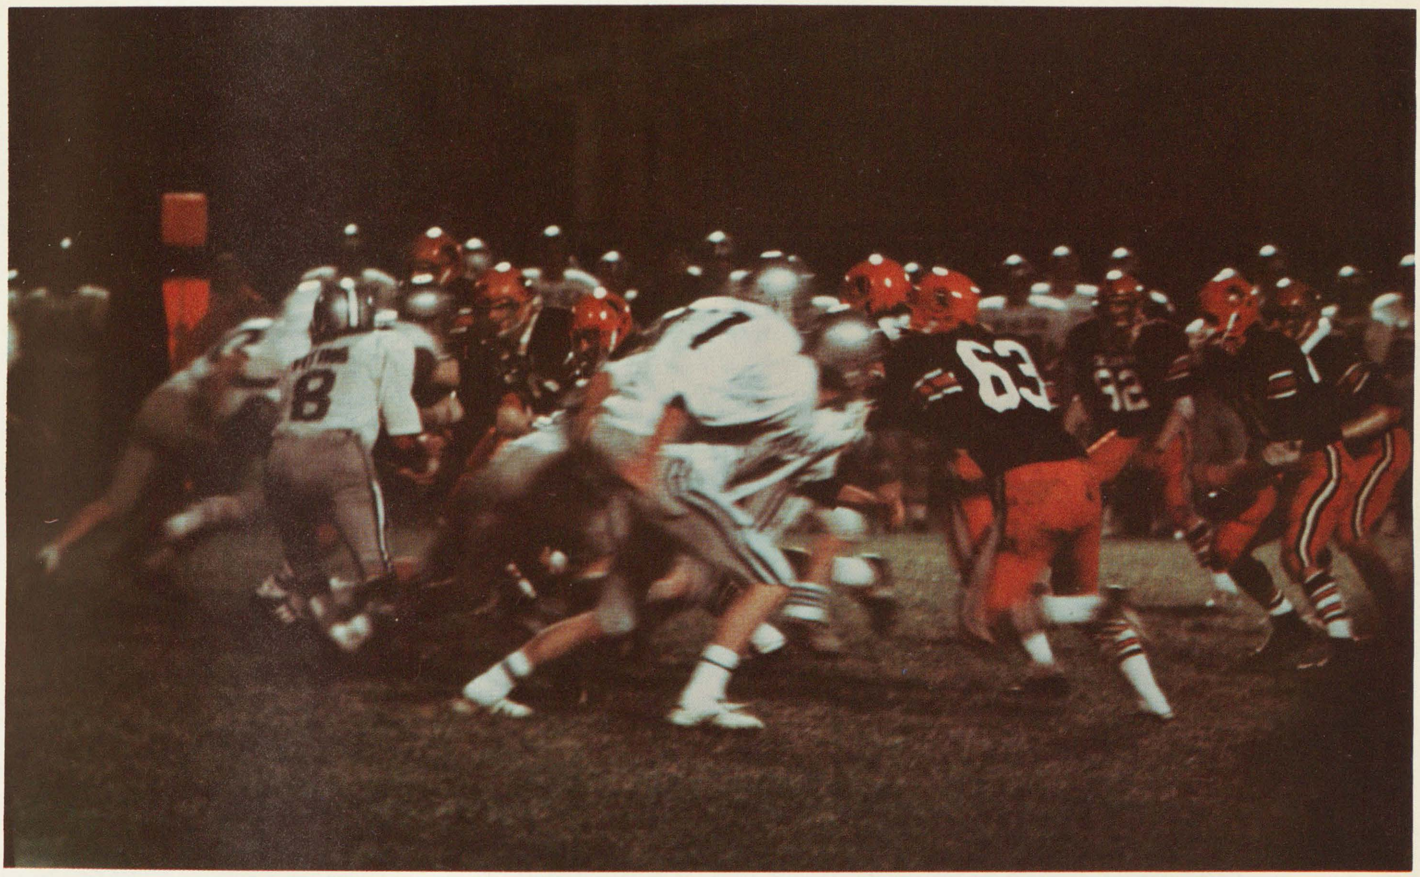


Above: Our girls Varsity basketball team makes a gallant leap for the ball in a non-conference battle with Durand.
Above Right: Our Freshman football team sqares off against a tough Bullock Creek squad. The Frosh braves pulled out a 34-14 win over the conference foe in a very successful season.
Right: The seventy-six girls' track team, in the fore-ground, stretches on the football field in preparation for a tough practice.
Below: An unidentified Indian wrestler puts the moves on a struggling opponent during the season of seventy-six.
Below Right: The seventy-six boys' track team takes a break from a tiring practice as they recline in comfort on the pole vaulting pit.





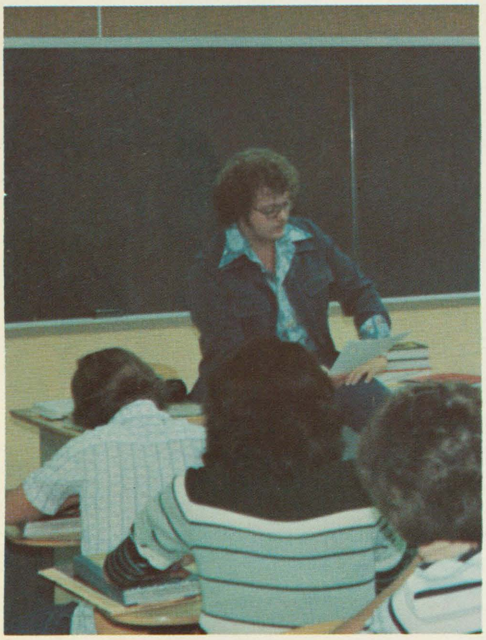
Stamina and Perception

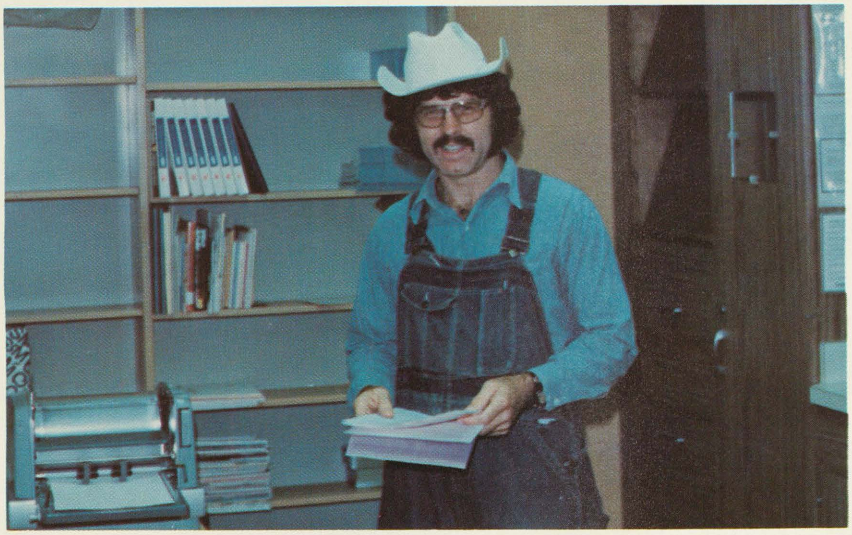


Above: A host of Varsity Indians greet a Hemlock ball carrier at the line of scrimmage in the seventy-six Homecoming battle. Our warriors were successful in capturing the Huskies with a 28-20 victory. This win was a great uplift to a much improved seventy-six squad.
Left: Colleen Muirhead, Cheryl Carlton, and Barb Hurst clown around with a "slightly" oversized basketball. How do you get that thing through the rim, girls?
Below: The entire seventy-six Varsity baseball team relaxes on the infield of their well-groomed diamond. Centered is Mr. Pohlman in his first year as head coach.

Faculty Shares Thoughts, Ideas

Right: Mr. Malcolm looks up from his daily work as Mr. Ferry checks the files. This kind of dedication from our administrators keeps C.H.S. on the right track.
Below: Mr. Turner carefully looks over a student's assignment during one of his Geometry classes. Let's hope Mr. Turner's grade is favorable.
Below Right: Mr. Lawton seems to be greeting our photographers with a country-flavored "Howdy!" His outfit shows that not only students but faculty display their school spirit during Homecoming Week.





Below: "Good-bye cruel world!", the shoe box seems to be saying as our favorite Physics teacher, Mr. Laskey, drops it unmercifully from the top of the bleachers. Al Pumford and Nancy Rekucki look on, as they are next in the egg-drop experiment.
Below Left: Mrs. Ames displays her usual cheerful smile as she listens intently to one of her A.V. workers tell their story.

C.H.S. Reflects on Our Village

Left: Superintendent, Robert Rhode, greets on lookers as he is chauffeured through the seventy-six Honey Bee Festival Parade by Paul Beuche. Mr. Rhode is dressed in the costume of Showboat's "Captain Bob".
Below Left: Chesaning's Police Chief, Bill Adams, wheels his police cruiser on to the main street of our community.
Below: Mrs. Brasfield appears slightly annoyed by our camera as she poses in her favorite square dancing dress.

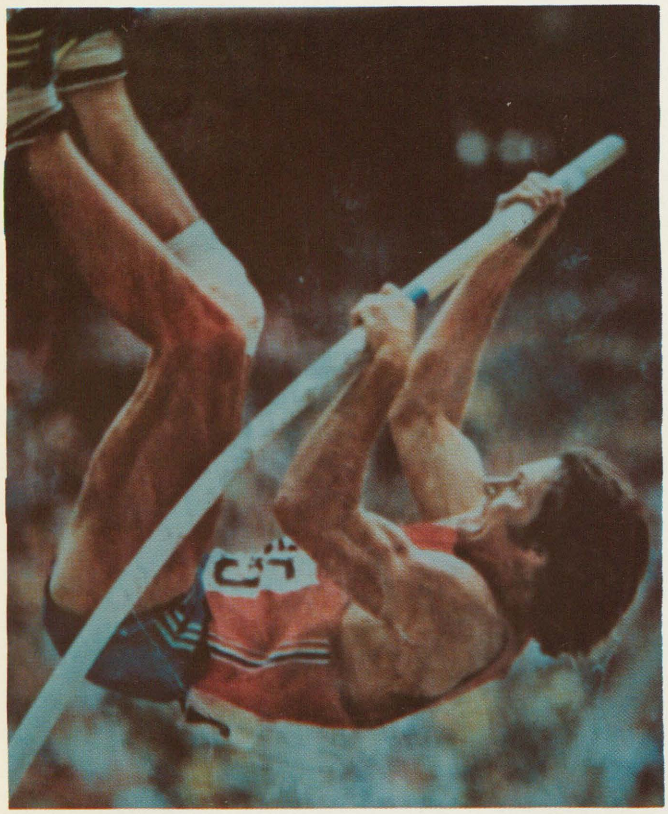
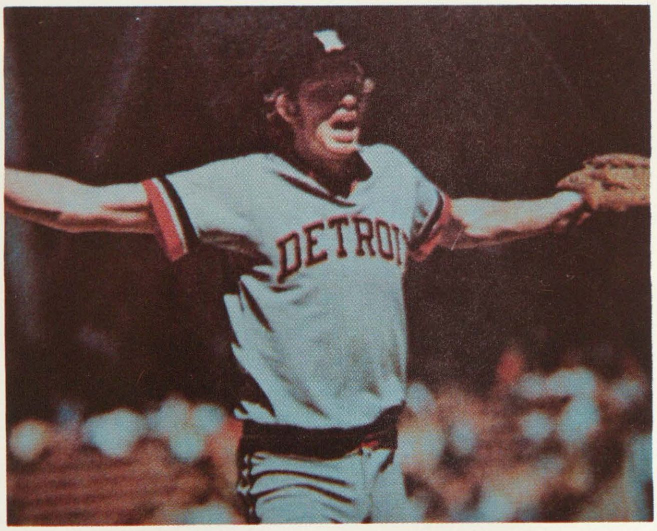
Far Left: The pride of Chesaning, the seventy-six Showboat is shown steaming down the Shiawasee River. This year's Showboat reflected our Bicentennial celebration with its patriotic trim. The show was highlighted by the very entertaining Steve Allen.
Left: Three Chesaning parade watchers sit comfortably in a down town building window. The subject of their attention is the seventy-six Homecoming Parade.

Seventy-Seven: A Year to

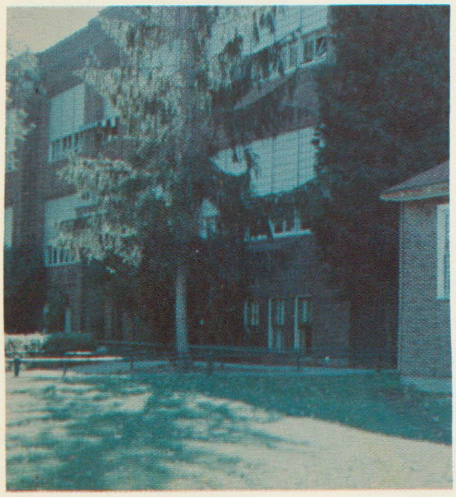


Left: Bruce Jenner, U.S. decathlon winner in the '76 Summer Olympics, is shown in the pole vaulting event. The Summer Games proved to be a surprising and exciting spectacle. Viewers fell in love with the Romanian gymnastic star, Nadia Comaneci. Although the beginning of the games was marred by the pulling-out of several African nations, they continued successfully in Montreal. The U.S. also won big in boxing and men's swimming.

Below: Mark "The Bird" Fidrych, Detroit Tiger rookie sensation, took the baseball world by storm. The twenty-two year old pitcher captured the interest of both fans and players with his flaky mound antics. His fine pitching ability brought him a 19-9 record and Rookie Pitcher of the Year honors.



Right: Mr. Kieth Valentine and Mr. Gary Rekittke open the doors to Chesaning's new Middle School. A June millage increase passage enabled the new facilities to be put into use, replacing the old building shown below. The long sought and often defeated proposal not only opened the Middle School, but allowed the rest of the school district to operate at the current level. This addition has become a valuable asset to the entire community.



Reflect Upon

Below: Mao Tse-tung, Chairman of the People's Republic of China died at the age of eighty-two, in September of seventy-six. Shortly thereafter he was succeeded as Chairman by Premier Hua-Kuo-feng. Mao's death was felt by the entire world because of his role as an international figure.

Below: The seventy-six election year found Gerald Ford (Rep.) and Jimmy Carter (Dem.) squaring off as the two major party candidates. Ford chose Sen. Bob Dole as his running mate, with Carter selecting Sen. Walter Mondale. The race proved to be a close one, with Gov. Carter holding a narrow pre-election poll lead. At the time of this writing elections were soon to come, with results unknown.

'76-'77 Happenings

This year was an eventful one to the entire world and especially to the United States. The year of seventy-six was an elaborate celebration of our country's two-hundredth birthday. The festivities took the form of both ceremonies and a full realm of Bicentennial products.

Another event of importance was the death of billionaire, Howard Hughes. The secretive and seldom seen tycoon died in April of seventy-six. His death brought on a rash of falsified wills dividing his riches.

A very sad and regretful catastrophe struck Pennsylvania in the late summer of seventy-six. A large number of people died from a mysterious disease. All of the victims attended a Legionaires convention in Philadelphia. Thus, it was labled "The Legionaires' disease."

In the world of sports, the Cincinnati Reds won the World Series in a 4-0 game sweep over the New York Yankees. Heavyweight Boxing Champion, Muhammad Ali announced his retirement after a controversial win over Ken Norton in late September. However, the champ has been known to change his mind.

During their last year of school the Seniors find themselves facing many difficult decisions which may have far-reaching results. The decisions they make when entering the adult world concerning college, jobs, and marriage will reflect upon the success and happiness that they are to enjoy during the rest of their lives.

The Seniors are wearing burgundy and silver for the 1976-1977 school year commencement exercises. The girls are carrying white roses, this year's Senior class flower.

Below: Mrs. Johnston talks to the wall in one of her government classes.
Bottom left: Presidential candidate Mark Horny delivers a speech during his campaign for the 1976 mock election.
Far left: The Varsity football players listen to Coach Eurick during the Homecoming pep session.

High school helps to provide varied learning experiences for underclassmen to use later in life. Most students find they can work a lot of fun into busy schedules.

Far Above: Freshmen girls argue over the volleyball in their phys. ed. class.
Middle Left: An unidentified underclassman plays peek-a-boo with a photographer.
Left: Do you believe that sophomores can actually smile while sitting in a sixth hour English class?
Above: Cindy Coleman takes the time to give someone a special smile.
Right: Auto Mechanics provides working experience for underclassmen guys.

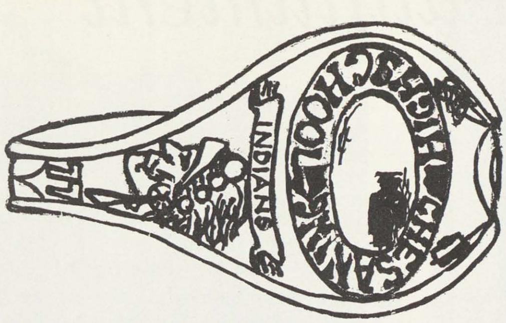
student life



Tensions and frustrations sometimes handicap a student's ability to enjoy or just make the best of school situations. Out of school activities–traveling, enjoying music, or just talking with friends–relieve the strain and help the future to seem brighter and the past more pleasant to reflect upon.

Below: In his spare time, Dan Shaw does good deeds as a Mounty.
Below left: Music provides an excape from tensions for Linda Krcmarik.

Hobbies: Reward, Fullfillment

An individual pursuing an interest . . . time used in a positive way . . . creative thoughts . . . Hobbies are fun because they are your own, and you can do them when you want to, how you want to, and with whoever you want. Hobbies are a reflection of you. Your inside thoughts are brought out in your outside interests!

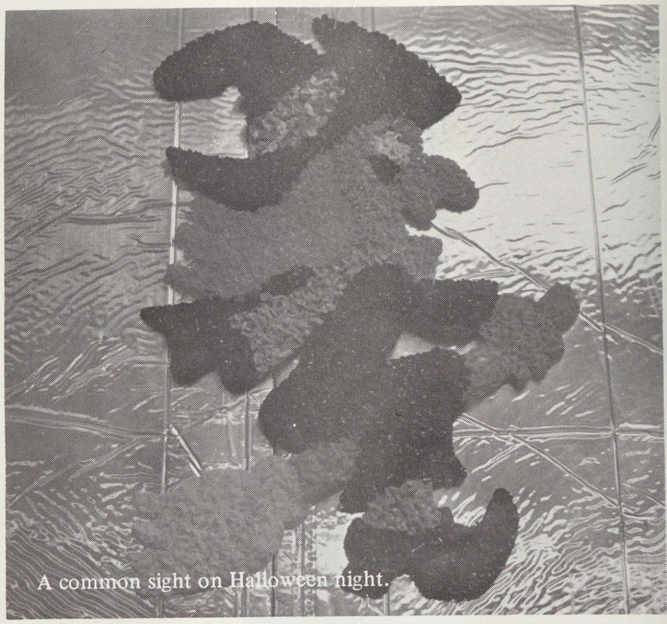
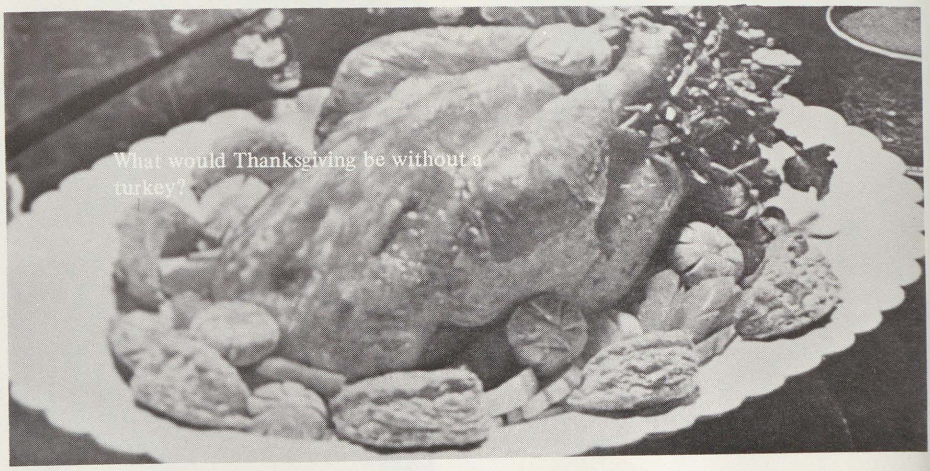
Holidays Reflect Special Meanings

Giving a Valentine expresses warmth.



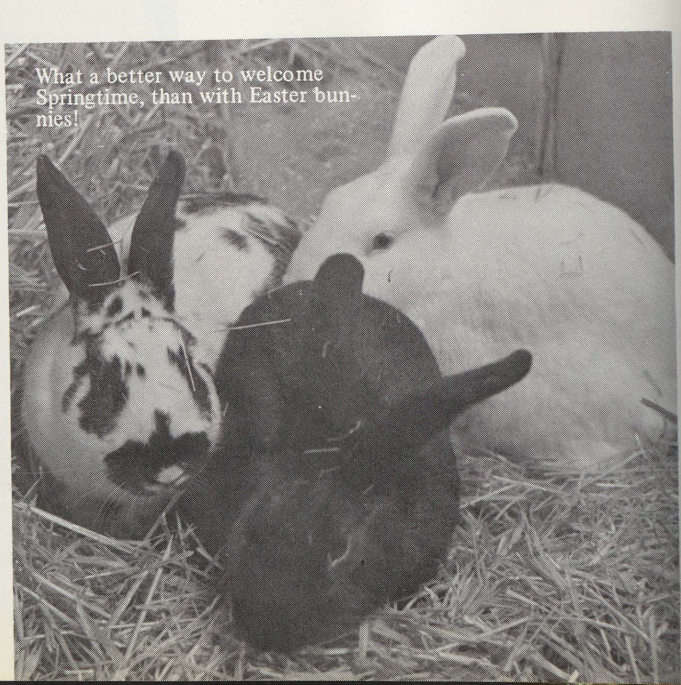
A common sight on Halloween night.

Holidays. . .a very special time of the year. . .laughter, fun. . .being together. The joy of loved ones near. . .sharing and caring, enjoying one another's company. Holidays bring on preparation–celebration. . .fond memories.



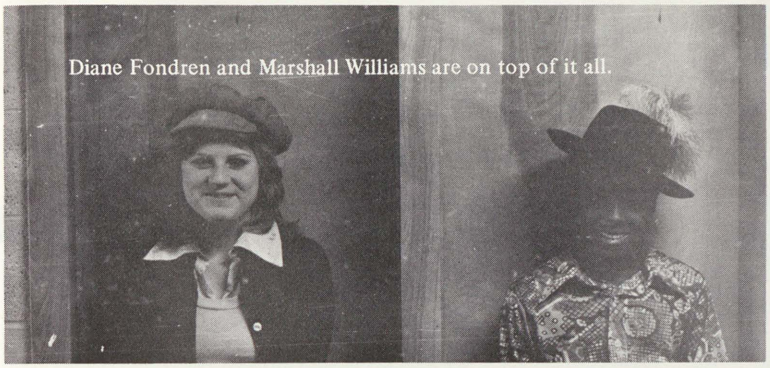
What would Thanksgiving be without a turkey?

Santa prepares for the journey of Christmas night.



What a better way to welcome Springtime, than with Easter bunnies!

Students Dress Fashionably



Diane Fondren and Marshall Williams are on top of it all.

Tim McCormick and Rick Haney show a touch of class in their vested suits.

Going down the halls, you probably may have noticed the new styles people are wearing this year. Many times the clothes a person wears reflect his personality. Fashions bring out the individuality that we all have. Not all of us share the same tastes in clothing, so what we wear makes us unique. From your head to your toes, you're dressed in clothing that fits your needs. So if you ever find something that appeals to you, wear it. Who knows, it might turn out to be a hit in the world of fashions.

Students here at Chesaning High are really "in style", with the latest fashions. They dress in an appealing way, and catch the eyes of many. . .because they have it "all together."

The Chesaning FHA Chapter is a part of the national organization of FHA (Future Home Makers of America)–Hero (Home Economics Related Occupation). The Chesaning Chapter helps make up the total of 450,000 FHA-Hero members nationwide. This year the chapter is involved in all three levels: State, Regional and Local. This year Tammy Foster is the State Vice-President of Projects. She is the second state officer in this area, since 1946. Tammy along with fourteen other state officers from all parts of Michigan, make up the State Executive Council. Sue Heath and Carrie Henning are regional officers, also. Beth Rehman, President, along with seven other officers provide many educational and learning activities.

Each Fall the Marching Indians bring to their field performances a reputation for excellence which has developed over the years as a result of the fine support they received from the entire Chesaning area.

Above: The "Blue's" brass strut their stuff in the summer of '76 parade.
Below: Indian's horns "play the field" in a night time field show.

For the season which started on June 12 in Whitewater, Wisconsin and included contests in Wisconsin, Ohio, Indiana, Ontario, as well as Michigan, the Marching Indians won 24 trophies including 15 for the band proper and 9 Color Guard, Drum Major, and Rifle Squad "Best in Show" awards. Overall the band won 9 first awards, 2 seconds, and 4 thirds, Among its championships the band included the Carrollton Bicentennial International Freedom Festival Mayor of Windsor Trophy, Bridgeport International, and the Overall and Flight I Championship of the Michigan Short Circuit. Most recent in their awards and honors are winning the Overall Championship of the Saginaw Fair contest and a very well received feature appearance at MSU.

The Marching Indians are fortunate to have the support of the Chesaning Union School District and the outstanding Chesaning Music Boosters Organization.

Ric Wesley in Fielding form.

The Varsity Baseball Team finished the 1976 season with a somewhat disappointing 15-9 record. The Indians who figured to be top contenders in the league, finished a distant third in the conference. Bright spots in the season came with a four team championship in the Perry Invitational Tournament and the team's individual standouts. Larry Mishler set a single season and single game home-run record as well as being named an All-State player. Larry, at catcher, along with Ric Wesley at third base, was named to the All-Conference Team. Tony Polasek, pitcher/outfielder, and John Sedlar, infielder, were both named to the All-Conference Honorable Mention Team. The team had high goals set for, the post-season tournaments but fell in the district finals. Says coach Pohlman, "It's too bad we couldn't go as far as we wanted because we had some talented, dedicated players but I guess you're only as good as you play. I'm really looking forward to this coming season. We have ten returning lettermen to put it all together."

The J.V. Baseball finished the '75-'76 season with a winning record, 7-6. It was the first season for Darell Marshall and he was pleased as well as optimistic toward the coming season. "We played well but really began to develop toward the end of the season. I'm really looking forward to the next season as I feel we have many fine ball players and the makings of an excellent team that could really go places in the 76-77 season."

The 1976 Girls Softball Team ended the season with a 5-5 overall record and a 4-1 conference record. It was the first year that Chesaning participated in league competition and the girls fared well. They finished second in the conference trailing only undefeated Swan Valley. Coach Carol Kapnick reflects," It was a pleasing surprise to see the girls play so good. The Swan Valley game was a wild one that could have gone either way. Chesaning, a first year team, could have finished first in the conference just as easily as we ended up second. I'm really looking forward to this coming season. We didn't lose too many players and we should be able to finish what we started last year."

The individual standouts in the 1976 track team made it, in the words of coach Bob Sager, "The best team since I've been coaching." The season saw 6 new school records set. Tim Amman broke the high hurdle record, running a 15.0. Steve Weigold'd 51.0 was good for a record in the 440. The team of Ron Alden, John Drexler, Willie Ervin, and Steve Weigold put together a 1:34.0 in the 880 yd. relay. Alden and Weigold together with Tim Amman and Ed Sadilek took the mile relay in 3:29.8. A 45.8 was good in the 440 yd. relay by Weigold, Amman, Alden, and Ervin. In a new event Bill Koski set the discus record with a throw of 114'8". The '76 team lost only 3 runners and figures to be tough in '77.

The Freshman Football Team enjoyed an undefeated 1976 season, finishing with a final 8-0 record. First year coach John Quaderer had the following comments on the season: "It wasn't a fact of individual standouts, but just an excellent team effort. We had a group of real coachable kids that wanted to win, Coach Douglas and myself were just lucky enough to be part of it. We came up against some tough teams, St. Johns, for example, was also undefeated when we played them. That was the game we had to win and we came away with a 30-22 win." Whatever the reasons behind the highly successful season the team should provide much future excitement and give us something to look for from the varsity gridders of 1980.

The 1976 Girl's Track Team finished the season with a 5-1-1 record and tied Ovid-Elsie for second in the conference. The team lost very few of the 76 tracksters and should have a definite shot at the conference title in the 1977 season. Members of record setting relay teams will be back again in 77 and should provide Chesaning fans with much excitement, as well as serving as a backbone to a winner.

An even season for the J.V. Football Team, who finished at 4-4, seems like a "not good–not bad" type of season, but not when you consider their record from the previous season, 0-8. The season was highlighted by a 52-12 trouncing of Bullock Creek, who had beaten the J.V. Indians the previous season 12-6. The team also pulled off a surprising 20-6 victory over Corunna, who had beaten them the year before by the same score. Coach Linus Laskey, who coached the same group last year as freshman, comments on the season. "After last year's disappointing season the guys had a definite lull in confidence. But when we came through with a victory against Corunna in our second game they experienced something they hadn't before–winning. From that point on they decided it was more fun to win, and played every game with a new frame of mind, playing only to win, and expecting it. They are a dedicated group of young men, always improving, that are going to really surprise people."

When asked to comment on his first season at C.H.S., Head Coach Jim Eurick cited several contributing factors to a much improved varsity team. "I knew from the beginning that this year's team could be a good one. Staff members told me there was definitely winning potential in the squad. Three things that I stressed to the team was that they had to play with intensity and pride, and show senior leadership to win. With support from the junior team members we displayed all of these qualities. The Mid-Michigan B is a tough and underrated conference. We played two fine teams in Corunna and Swan Valley. I am proud to have coached four All-Conference selections in Tom Budd, John Sedlar, Keith Johnston, and Damon Howell, but cannot stress enough that ours was a team effort. As for personal gain, winning is always nice, but more than that I enjoyed the satisfaction of seeing a group of seniors develop confidence in themselves."

It's a cold September day as the winds restlessly blow across the grayish-white skies. In the distance of early evening the battle continues.

The warriors are under unmerciful attack, one after another they are withdrawn, but still they stand and fight. The attackers are becoming discouraged by the resistance shown. They give it all they've got, the 41 dive, the 36 reverse, the 40 hook, all better forgotten. The mighty Indian warriors take over, pounding, gnawing, scratching, until the conquest is over. The Indians, bloody and cripples to the point of being maimed, storm off the field. The Vikings had so much to win and so much to lose, the survivors, of course, realizing it now.

Homecoming is an annual event at every high school that always provides students with lots of fun and excitement. This year at C.H.S. was certainly no exception as students largely got involed with the charades of the week, which designated each day for something special, ranging from farmers to 50's day. The week was highlighted by a 28-20 upset football victory over the Hemlock Huskies and the crowning of Nancy Rekucki as Homecoming Queen. By Inconsistency, Bad Breaks

The 76-77 freshman basketball team finished the season with an overall record of 8-4. Part of those four losses were two defeats that fell no shorter than two points from victories. First year coach Paul Martin has much praise for his players, stating, "They were just a coachable group of kids that really wanted to play. They went out on the court wanting to win and that's the kind of confidence it takes to win. They were all good shooters and my only regret is that everyone didn't get to play more. We had some exceptionally tall kids for freshman and I think that could be an important factor when 1980 rolls around. These guys have height, good shooting ability, confidence, and most importantly good attitudes and because of that should provide much excitement for the fans in the years to come."

The Junior Varsity Basketball Team had a successful but nevertheless somewhat disappointing 76-77 season when it came to conference play. After starting hot with four straight wins they dropped two in a row, one to league contender Swan Valley. The on again-off again season, as the J.V. cagers dropped a few more important contests, continued for most of the season until things turned somewhat around at the season's end. Coach Mike Pumford, who had moved up to the J.V. level after coaching the same group of players in his previous year, comments on his 76-77 season: "The guys had some hard times this year but they'll come back. I think some times we have a tendency to try to control the game too much. Every one has to play their own game you can't tell them what's right, it's just got to be there. These guys have a lot of talent and as seniors might just be the team we keep looking for."

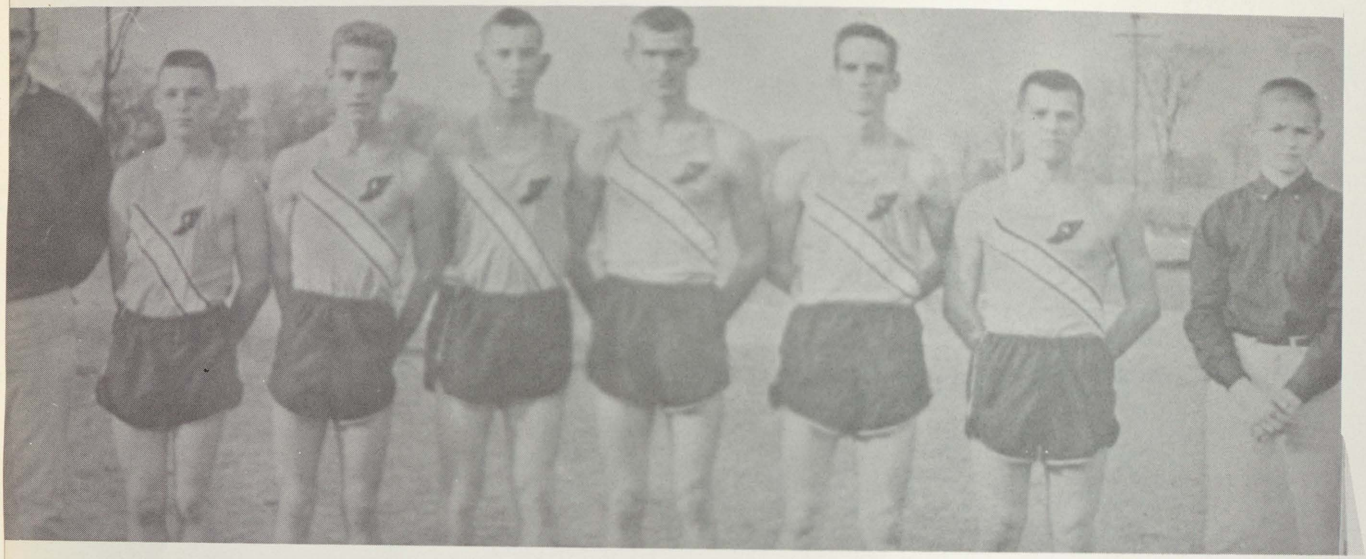
Bob Rhode Leaves Coaching



Mr. Rhode and his cross country team of '63, which he coached in addition to basketball.

For years at C.H.S. whenever you thought basketball you thought Bob Rhode. 1976 marked an end to that tradition as Bob Rhode accepted the superintendency of Chesaning Union Schools and resigned from his head basketball position. Mr. Rhode first came to Chesaning in 1963 where he taught, along with coaching, cross country and varsity basketball. His most memorable coaching experience was definitely his 67-68 basketball season in which his team finally fell in the quarter finals of tournament action. In whatever capacity, coach or educator, Chesaning will long remmeber Bob Rhode.

The Varsity Basketball Team had a dismal 76-77 season finishing the season with a total of three wins in conference play. The season started nicely for the varsity cagers as they took three of four initial starts. They were not to find the win column again, however, until late in the season against neighboring Corunna, a team that managed but one regular season victory. It was a disappointing season for a team that had somewhat higher expectations of themselves at the season onset. The season was also marred by a late season injury to senior guard and sparkplug Doug Gross, keeping him out of the season's end and tournament play. First year coach Molnar was understandably dejected by the poor season. "It was too bad that it had to go the way it did. It doesn't help to look for excuses, the talent was there, it just never developed."

After losing four of the five starters who had led the Girl's Basketball Team to a conference championship the previous season this year's team wasn't expected to fare too well. However when the season ended the girl's had accumulated a very respectable 8-7 overall record. Coach Kapnick comments that, "The reason behind the season going the way it did has to be the girls. We weren't experienced and knew it would be a tough season, but the girls never gave up. They won games on no more than dedication, and I guess maybe that's what is takes. They were as coachable kids as you'll ever find."

An otherwise uneventful 1976-77 Varsity Volleyball season was highlighted when the girls traveled to Ithaca to participate in an eight team tournament. Wher the tournament was over the girls found themselves with an unexpected first place trophy. The season's other bright spot came late in the season as they Knocked off league leader Swan Valley. The J.V. team enjoyed a comparitively good season and their addition to next years varsity squad should put volleyball on a winning track at C.H.S.

The loss of four of the five varsity regulars from the previous season left the 1976 Golf Team young and inexperienced. Sophomores Lawrence Pumford and Jim Wesley were regulars throughout the entire season. Jim was an All-Conference Honorable Mention selection as well as the team's most improved player. Lawrence joined senior Bob St. Gordon as the team's most consistent players. Senior Rob Mahoney and freshmen Kevin Underwood came on at the season's end to play varsity golf. Dave Shooltz, also a senior, held the team's lowest average and was their most valuable player. Dave also set two new school records, shooting a 35 for nine holes and a 72 for eighteen. According to first year coach Paul Martin, "Our team this year was definitely hurt by it's lack of experience, but I think that will help us in the long run. Jim Wesley, Lawrence Pumford, Mark Underwood and Kevin Underwood got experience this year that will really help us next year."

Under the direction of first year coach, John Quaderer, the J.V. wrestlers enjoyed a successful 1976-77 season. Although understandably overshadowed by the excellance of this year's varsity team, the J.V. grapplers should be noted for their fine performance. Coach Quaderer comments: "They were a dedicated group of young men with a desire to work hard in order to do well. We had many fine wrestlers that are definitely potential stars of the future. Although our record wasn't outstanding we had much unrefined ability on the team. That type of ability will come forth with experience and hard work. We'll supply the experience and I'm sure you'll find this group willing to put forth the hard work." With this kind of player dedication and obviously zealous coaches attitude it appears the C.H.S. wrestlers aren't giving up after a most productive 1976-77 season.

The Varsity Wrestlers enjoyed a most successful 76-77 season that included an undefeated record in conference play. Together with this, the Varsity grapplers took firsts in the Oscoda Invitational, Conference, County, District, and Regional meets. In winning the Regional meet the Indians qualified four wrestlers to participate in the state tournament, an unprecedented total for C.H.S. Those four were Dan Novak, Damon Howell, Brad Bitterman, all of whom took first in the regionals, and Jon Sutton, who took second. In the state finals Chesaning was honored by Brad Bitterman's first place finish in the 155 pound weight division. In all the 76-77 season was by far Chesaning's most productive and most likely most memorable season for years to come.

Added to this they received a first place as they attended the Kingston Cheerleading Competition.

During the course of the 76-77 season the Junior Varsity Cheerleaders attended three individual competitions. Those three were the DCA Michigan State Competition, the Kingston Competition, and the Holly Competition. In each of these competitions they earned a first place award.

The Varsity Cheerleaders attended the same three competitions as the J.V. squad during the 76-77 season. Sports is one of the most important and exciting things in a high school students life, whether watching or participating, which was certainly evident this year at C.H.S. ABOVE LEFT shows Joanne Rhode as she goes up for a shot. ABOVE RIGHT shows intense J.V. basketball action. AT LEFT is the undefeated '76' freshman football team. BOTTOM RIGHT shows Damon Howell letting an opponent know why he was undefeated throughout the 76-77 regular season. BOTTOM LEFT pictures Dave Shooltz and his putting form, which helped him achieve a school record for an 18 and 9 hole score, during the 1976 golf season.

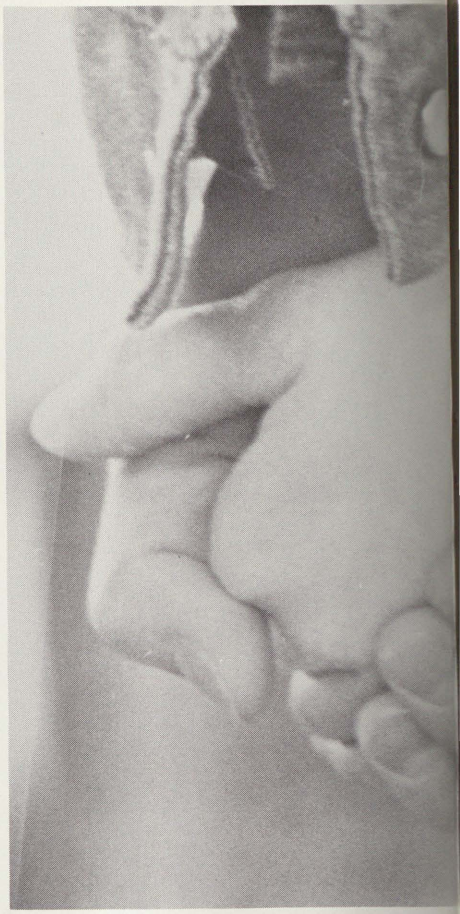
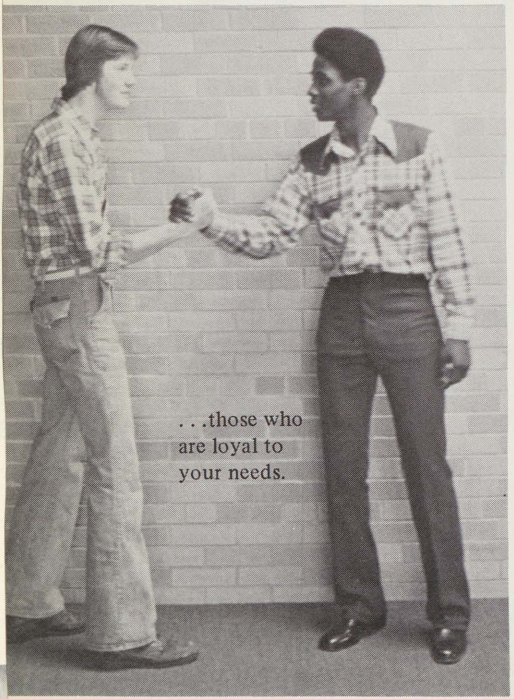
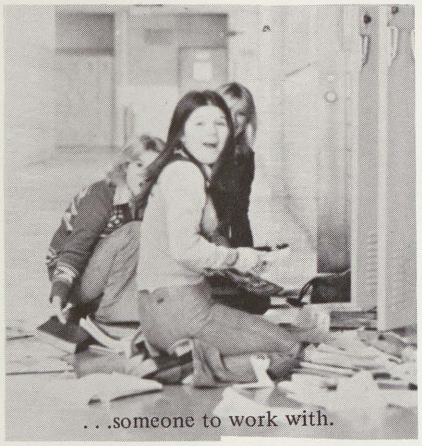
Friends

. . .those which share good times as well as bad.



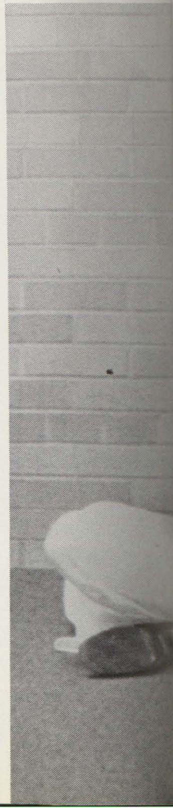


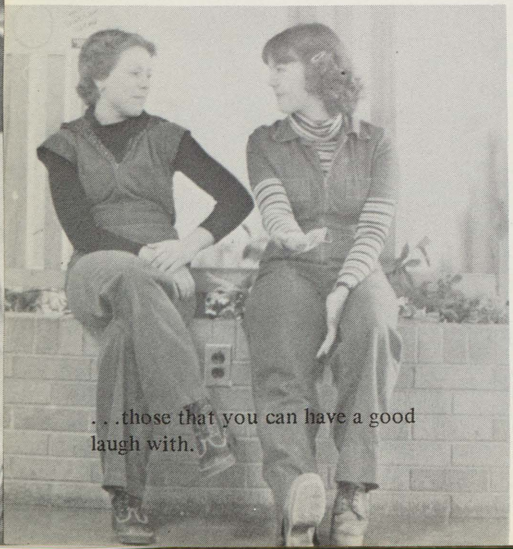
. . .those who
are loyal to
your needs.



. . .someone to work with.

What is a friend? I'll tell you.
It is a person with who you dare be yourself.
Your soul can go naked with his.
He seems to ask you to put on nothing, only to be what
you really are.
When you are with him, you do not have to be on your guard.
You can say what you think, so long as it's genuinely you.
He understands those contradictions in your nature that
cause others to misjudge you.
With him you breath freely—you can allow your little
vanities and envies and absurdities and in opening them up to him,
they are dissolved on the white ocean of his loyalty.
He understands—You can weep with him, laugh with him, pray with
him—through and underneath it all he sees, knows and loves you.
A friend—I repeat—is one with whom you dare to be yourself.
Anonymous

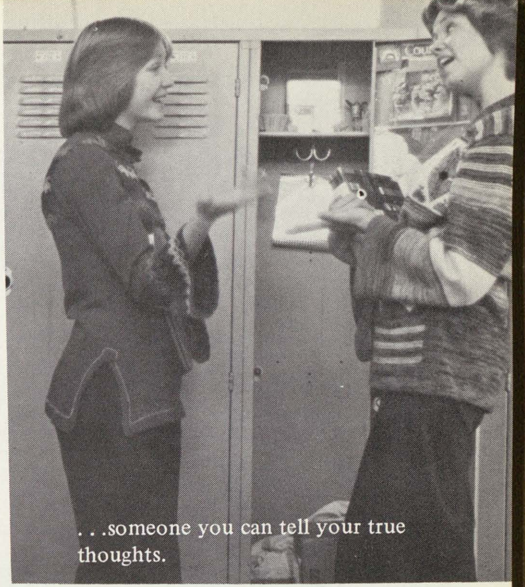




. . .those that you can have a good
laugh with.

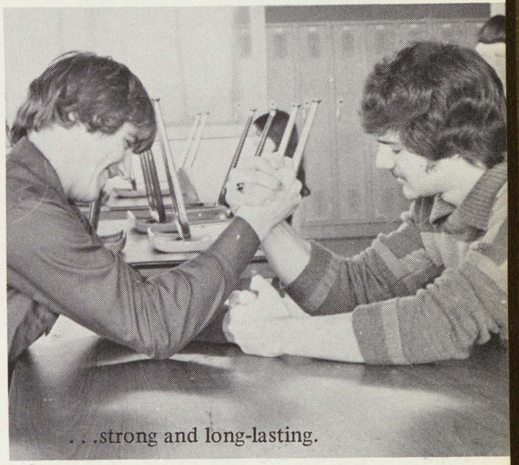
Are . . .

. . .someone to talk to.



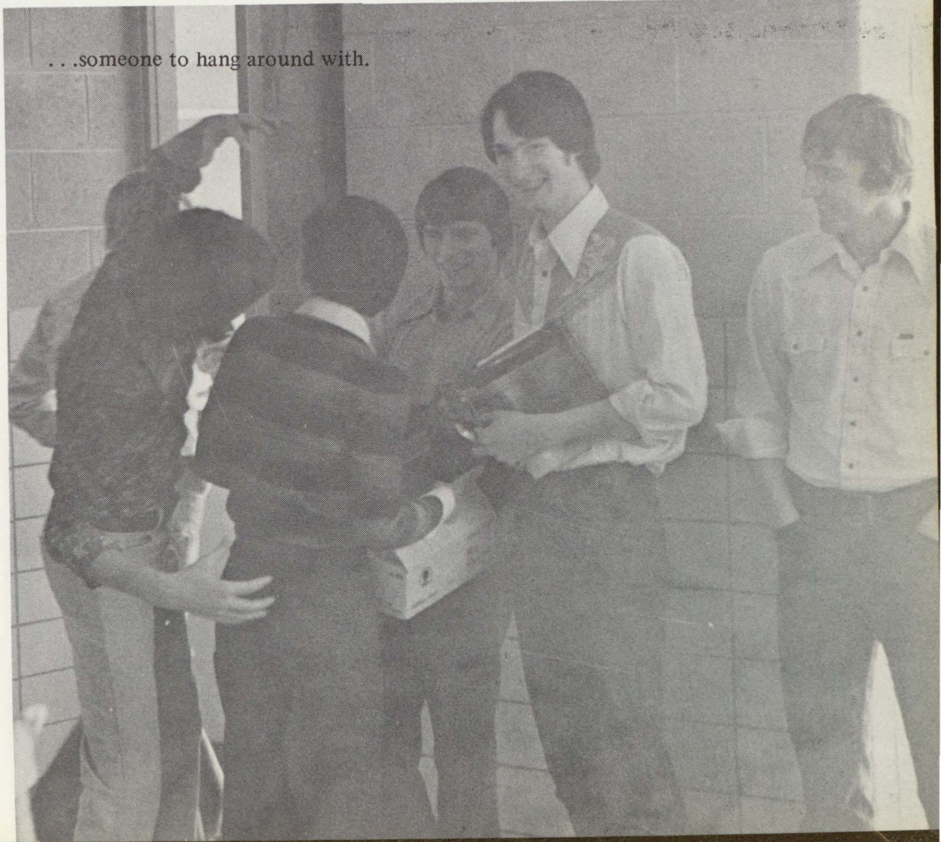
. . .someone you can tell your true thoughts.

. . .someone to pick on without hurting.

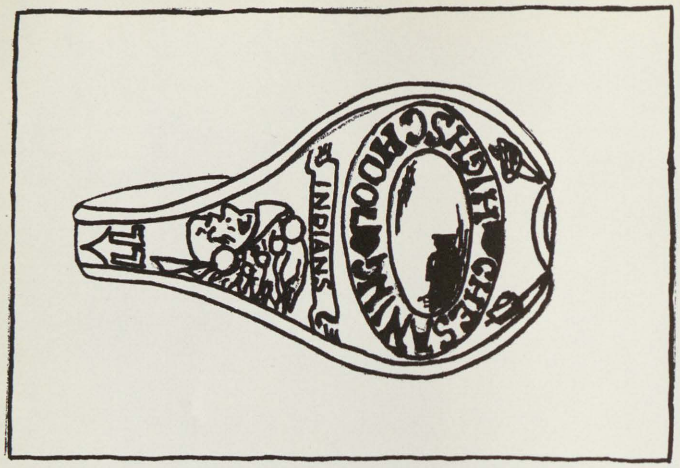


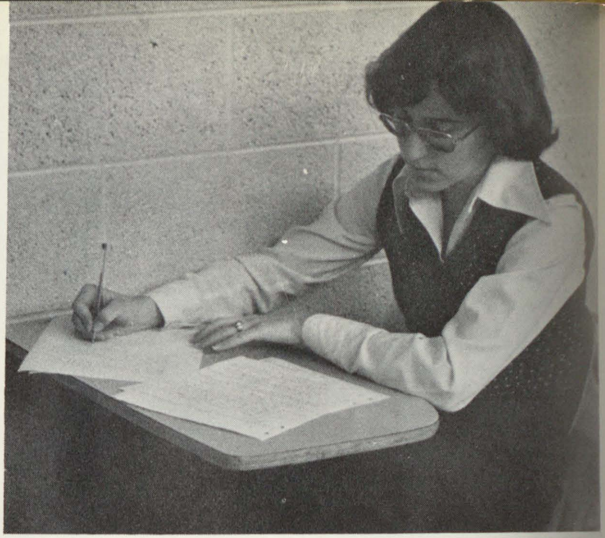
. . .strong and long-lasting.

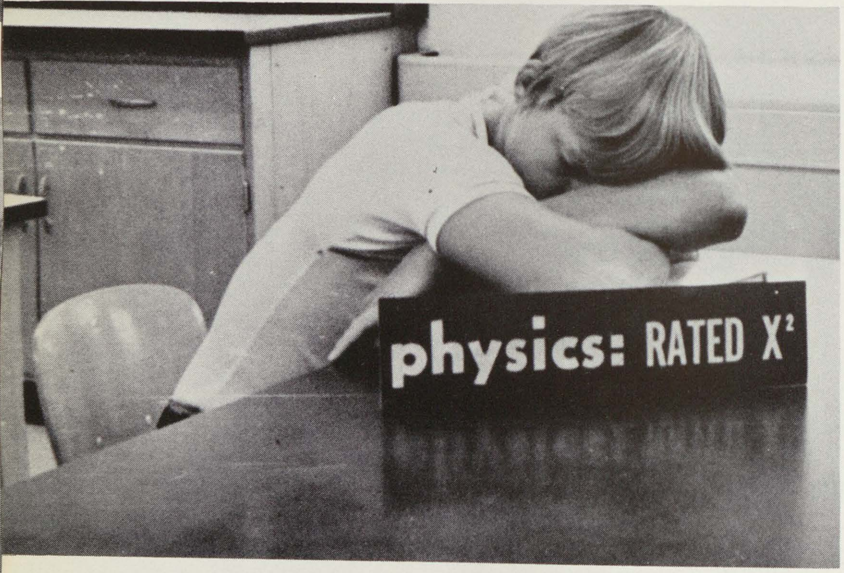
. . .someone to lean on.

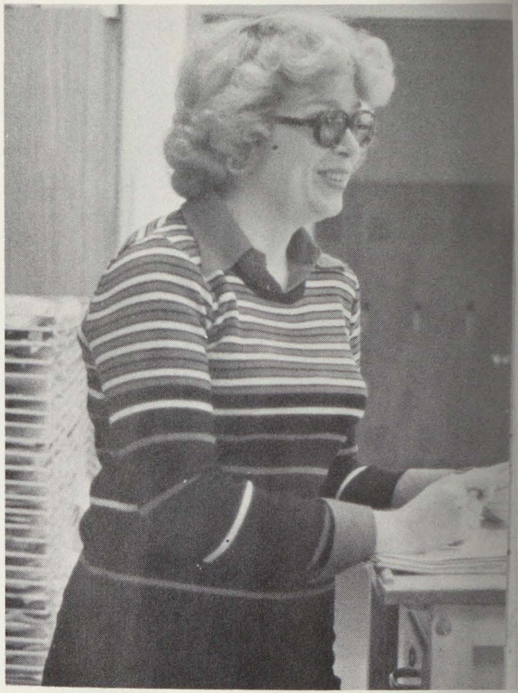


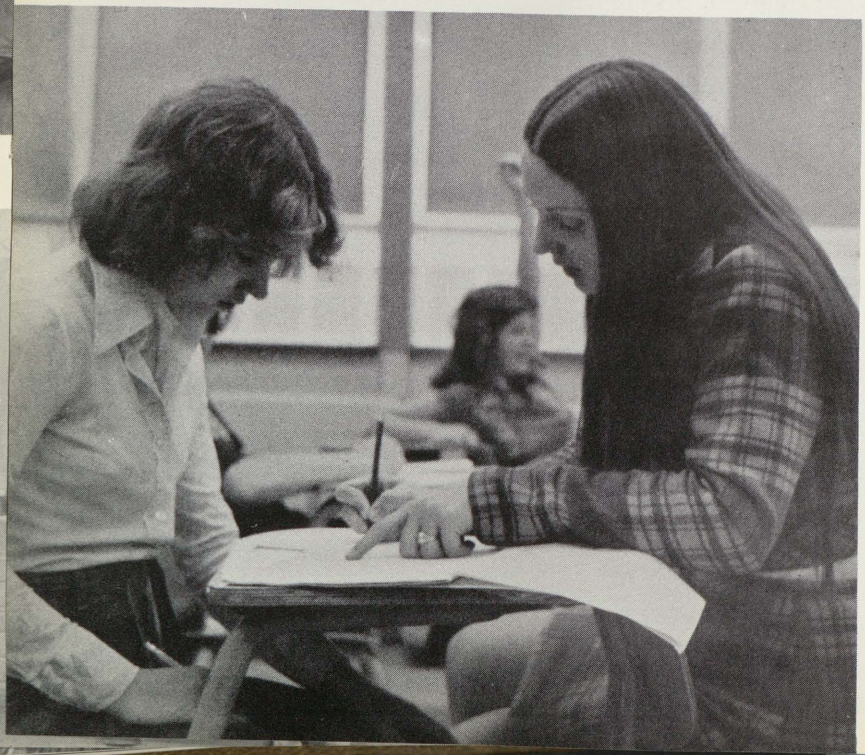
. . .someone to hang around with.











The importance of academics is stressed in school, but the social relationships between students, teachers, and administrators also help develop a person's personality. The best learning situation combines these two aspects of education. Our school provides many experiences for social and academic development.

Above: Teachers can enjoy their students as Mrs. Laitila's big smile illustrates.

Far above: Linda Balamucki concentrates on a tough assignment.

Above left: Dale Hersch takes a break from the daily classroom drag.

Left: Teachers show concern for their students by the individual help they give them. Ms. Nordhof is involved in helping Sue Gasper with a tricky problem.

Right: The students in Miss Hautamacki's art class are engaged in many different activities.

Board Members Support Middle School Opening

In the preamble of the Board Members, it's stated:
We believe that education is a State function; that school districts are organized for the purpose of maintaining public schools; that their creation is authorized by consitutional provisions and by the general statues which confer upon them all their powers, prescribe all their duties, and impose all limitations to which they are subject.

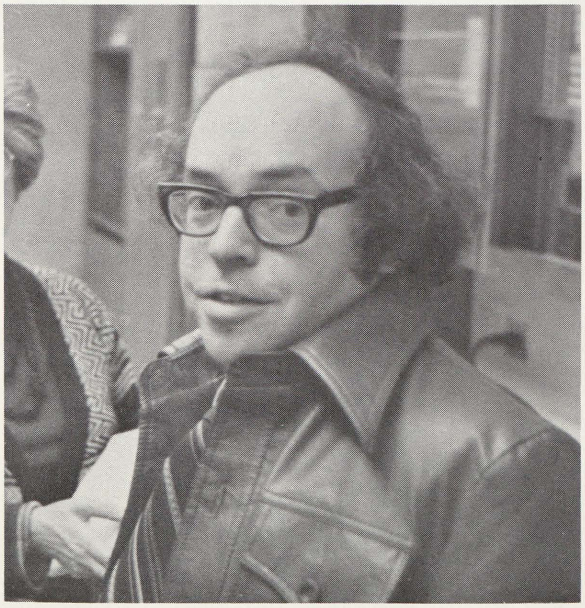
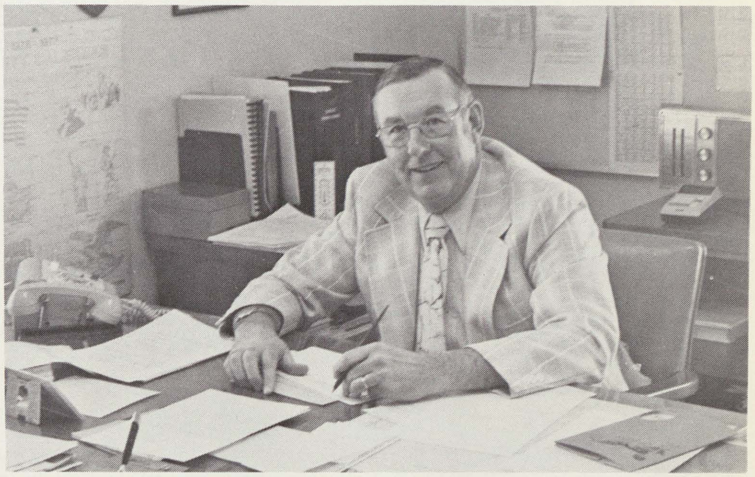
Administrators Keep C.H.S. Running Smooth.

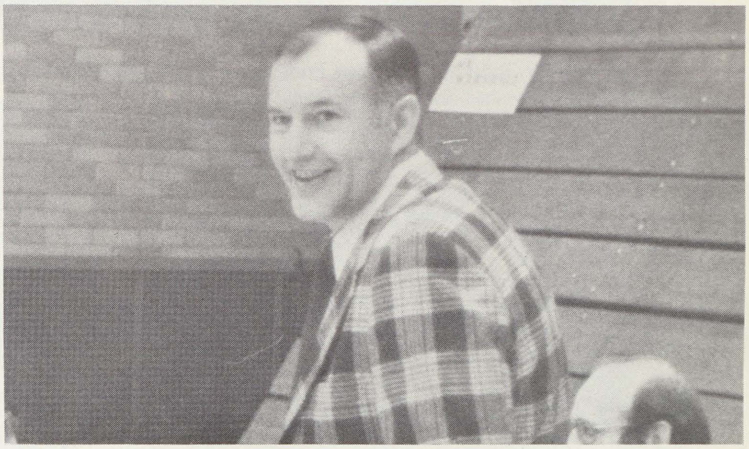
Above: Mr. Don Flory is our Community School Director. He is also our Athletic Director. Taking responsibility for two jobs is hard work but he seems to enjoy them both.



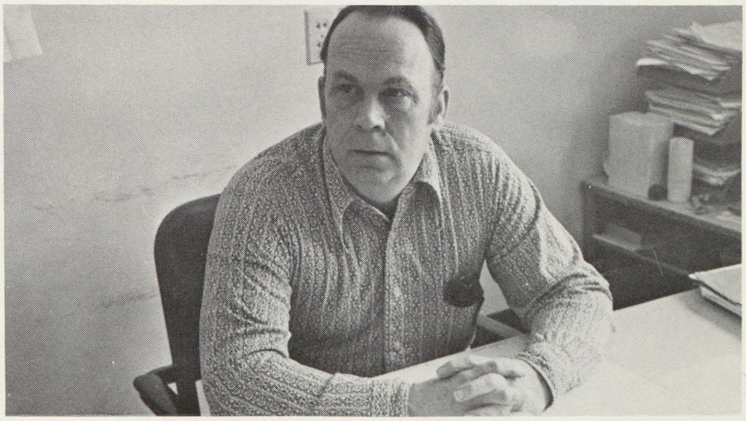
Above: Mr. James E. Hewitt is the Curriculum Coordinator, and a good one at that.



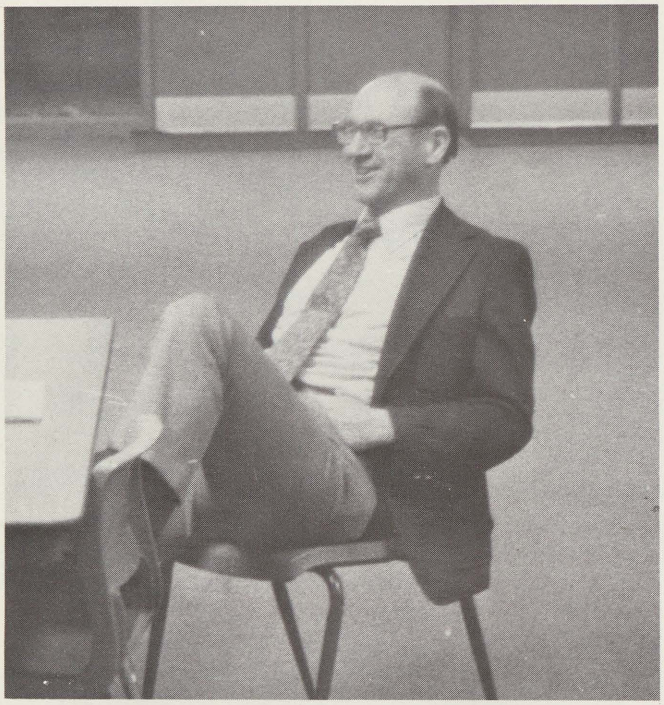
Above: Mr. Warren J. Newman, Assistant Superintendent, stops his work for a short but sweet smile. Below: Mr. Robert Rhode is our new Superintendent and doing a good job at it.



Below: Mr. Dale Alden, Building and Grounds Supervisor, has been a long time employee, but also one of the best.



Principals Take the Wheel at C.H.S.



Above: Mr. John Malcolm, our Principal of C.H.S., leads in many responsibilities and surely learns from them.

The Chesaning FHA Chapter has had a successful and rewarding year. Having had attended the State Convention in April, we now have a 76-77 State Officer, Tammy Foster. With three other Regional Officers, Kari Horton, Tammy Foster, and Terri Richmond the members of FHA assume their active roles. The Chesaning Chapter Officers had attended the annual Officers Training Workshop in which each officer learned of their many responsibilities. The advisors, Mrs. Richmond and Mrs. Hunt have helped lead the Chesaning FHA Chapter to the most successful year.

Kathy,
To a really
sweet girl, I'm
glad I met this
year. Remember Mike
and Bev's wedding and
all the fun we had running around. Remember me
chasing after Greg Kubica? How
stupid! I still like him but
not to chase after him. I'll stick
to Chris for awhile. Well its really
been a pleasure knowing ya, see ya around.

REHMANN'S BUDGET SHOP

The ideals, motivations, and accomplishments of communities reflect upon the general welfare of a nation. We show patriotism by concern for others and our surroundings.

Far Left: Students improve their swimming and diving at the Middle School to prepare for the 1977-78 swim team.

Above Left: Steve Allen joined our community for a short while as the star of the 1976 Showboat.

Middle Left: The Annual Square Dance provided fun for the Chesaning Showboaters.

Below: Our community's interest in religion is signified by one of Chesaning's seven churches.

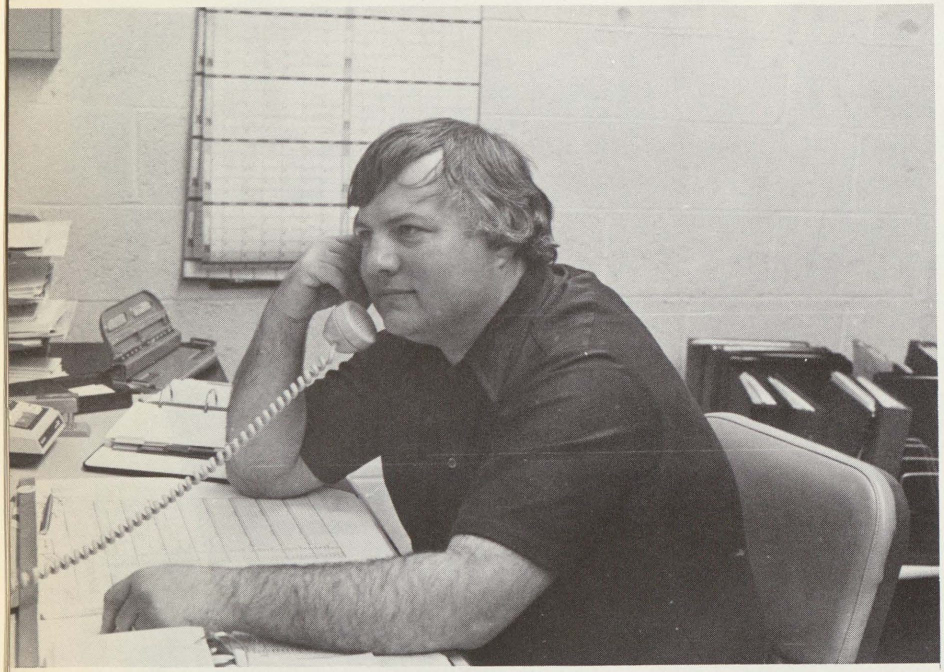
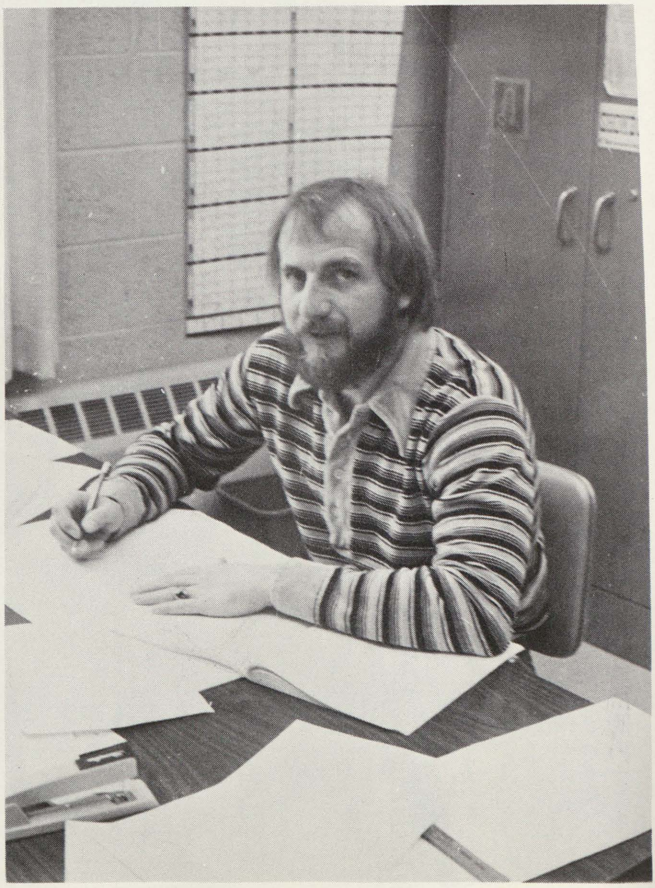
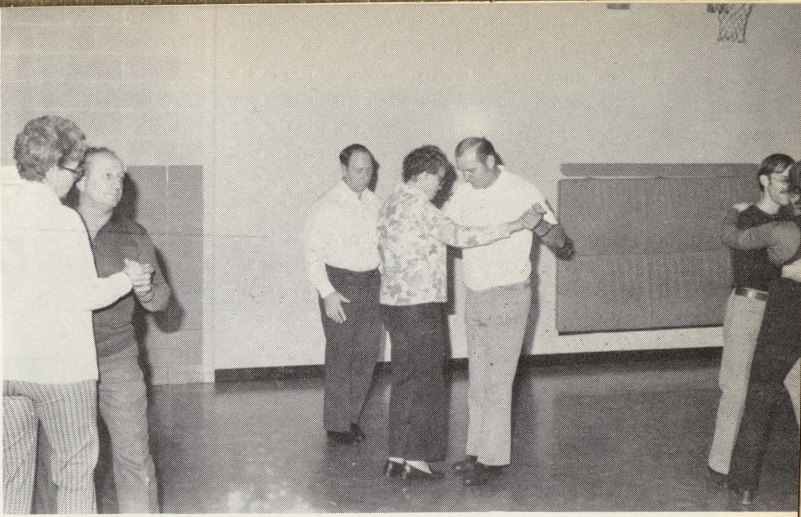
Community Ed: Alive and Well!

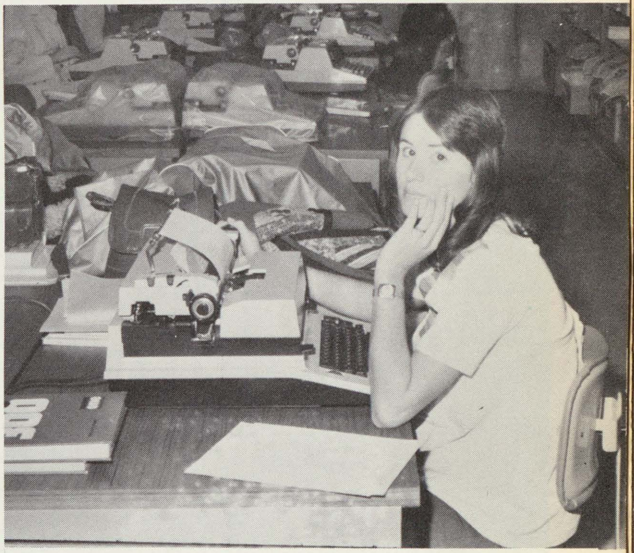


LEFT: Mr. Flory, director of Community Education.
BOTTOM LEFT: Mary Blakey, secretary.
BOTTOM RIGHT: Tom Tithof, assistant director.



Enthusiastic masters and their dogs learn the secrets of obedience.





Women discover the fun and excitement of sewing together.

The Chesaning Community Education Program provides many hours of activities each year. Classes include adult high school completion, college, enrichment, and recreation. Activities are designed to reach everyone in the community.

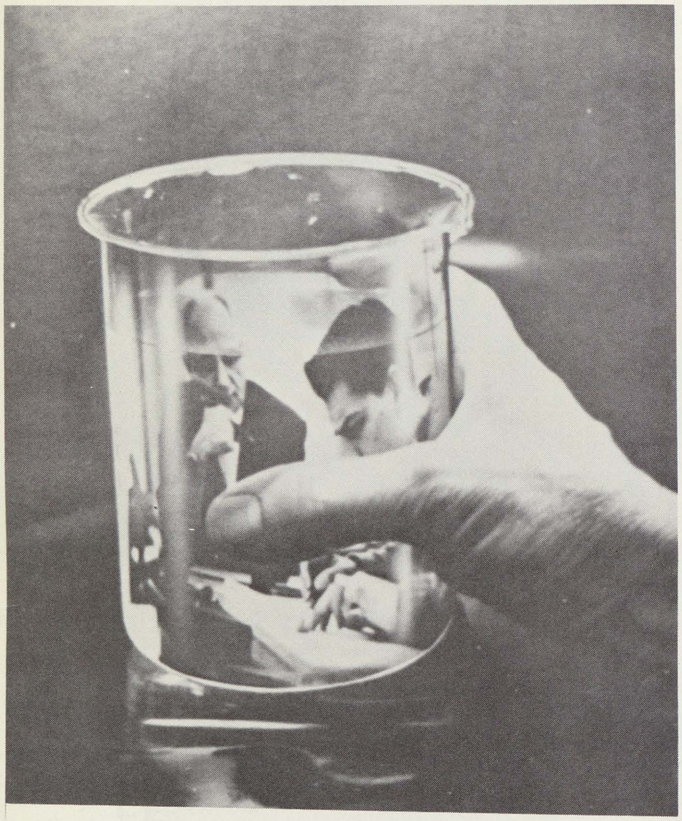
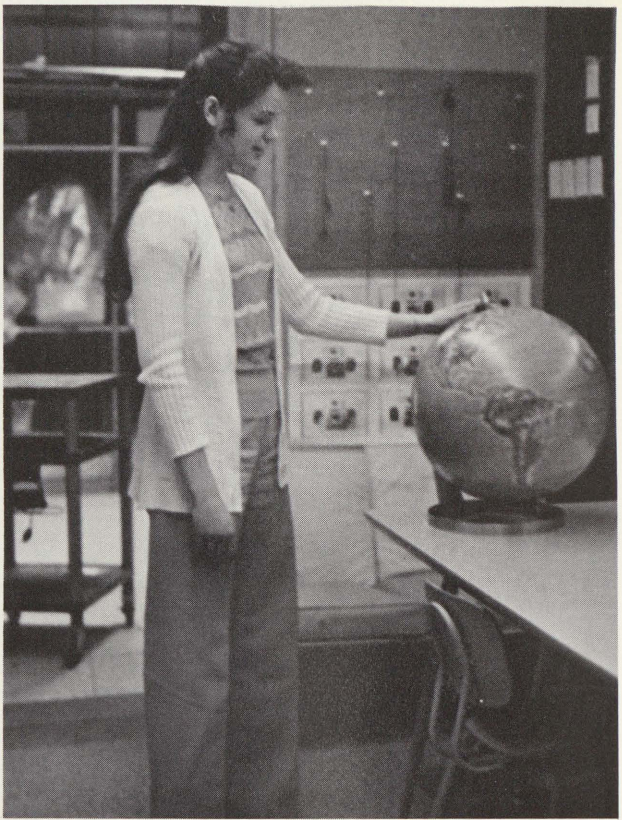
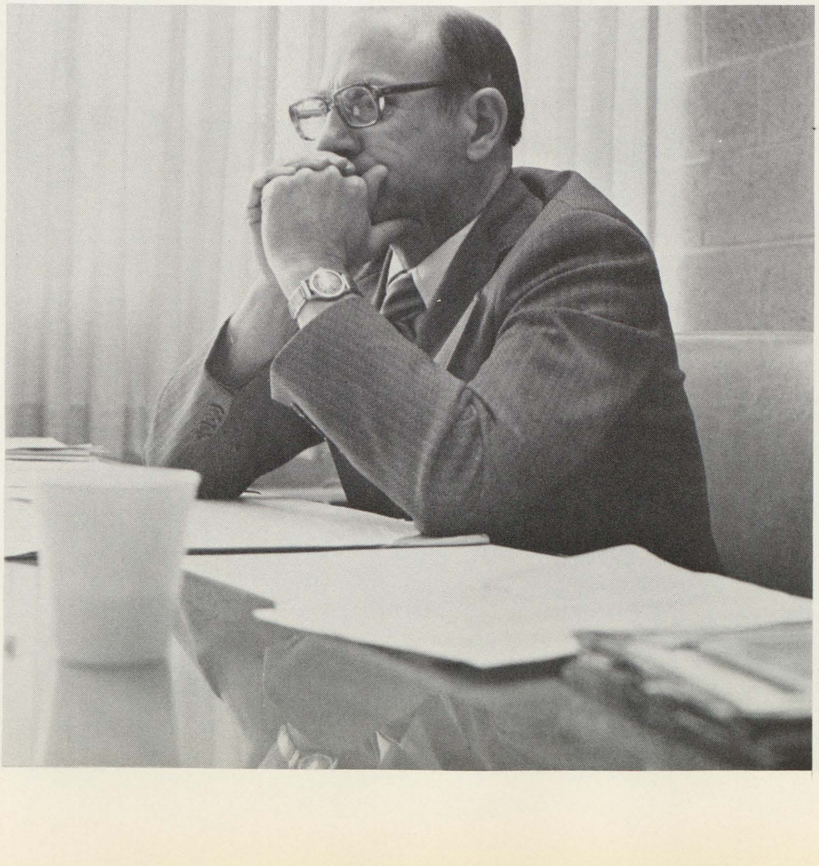
The World Around Us: We Have





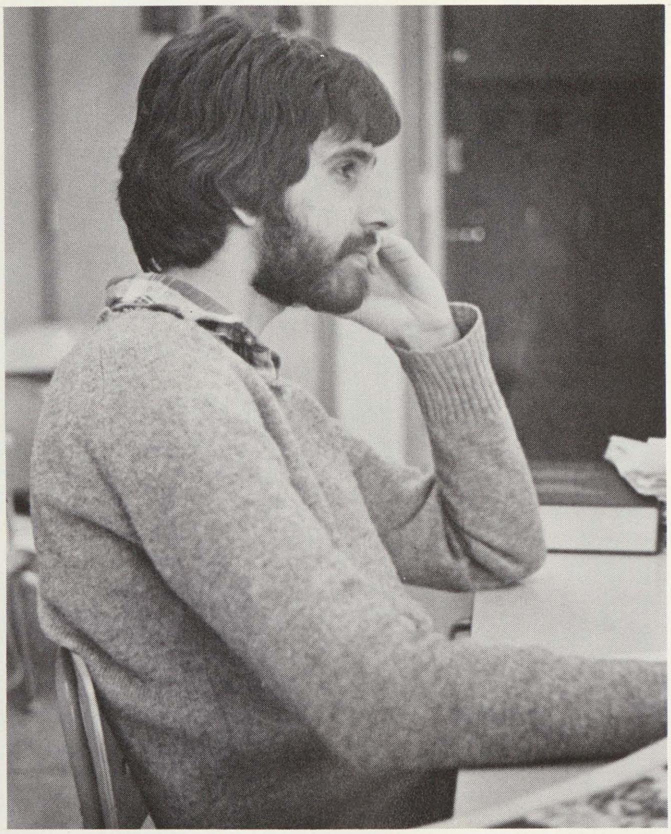
So Much to Reflect Upon

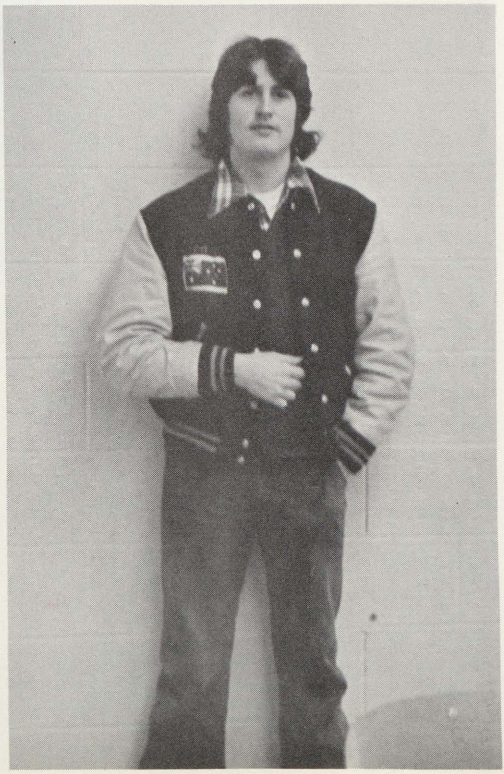


Psychologists and self-acclaimed experts on human behavior have stated again and again that we are simply mirror images of our surrounding environment. If so, we are all reflections of a C.H.S. life. Yet we are individuals and separate beings, each existing in a common environment, sharing similar yet varied ideals.

Here at C.H.S. we have much to reflect upon, yet seldom have the time to do so. Friends, clubs, sports, and even a class here and there will all be reduced to memories some day. So instead of letting these moments slip by, let's just sit back and. . .REFLECT.

Reflections: People, Places, Things,





Thoughts, Hopes, Dreams, . . .

We enter through the same noise-filled
portals,
Yet it is the space between that makes us
who and what we are.

A time for learning, growing, reaching, and
finding.
A time for hurting, healing, caring, and
sharing.
A lifetime squeezed into a four-year breath,
and we will hold that breath for lifetimes
To come.

One face, mirrored one thousand fold,
in dimmed corridors and darkened rooms.
Each of us emerging into light,
and reflecting on a new found life.
